REQUEST FOR WITHDRAWAL OF HOLDING OF ABANDONMENT

Commissioner for Patents
Alexandria, VA 22313-1450

Sir:

Responsive to the Notice of Abandonment dated May 19, 2003, Applicants herewith request withdrawal of said abandonment for the following reasons.

An Office Action was mailed by the Examiner on September 12, 2002, with a shortened statutory period of 3 months, to expire on December 12, 2002. An Amendment (with a marked-up copy) was filed in response to that action, with a Petition for a 2-Month Extension of Time, on February 12, 2003. Enclosed herewith is a copy of the filing receipt, duly date-stamped by the Patent Office on February 12, 2003, evidencing the filing thereof. We are also including a copy of the cancelled Check No. 285706 for the amount of \$494.00 evidencing payment for the 2 Month Extension of Time and Additional Independent Claims. In order to expedite prosecution, Applicants' Attorney is submitting signed copies of the documents indicated above.

JUN -2 2003

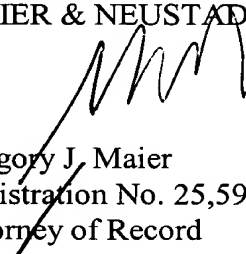

TECHNOLOGY CENTER 2800

It is believed that the above discussion and documents enclosed herewith clearly prove that a response to the Office Action was timely filed, and therefore, the holding of abandonment was issued in error. Accordingly, it is requested the holding of abandonment be withdrawn and that prosecution be resumed in the present application.

The undersigned declares further that all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment or both under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
